**ARTICLE 1  
PURPOSE**

This agreement is made and entered into this \_\_\_\_\_ day of, June, 2008 by and between International Brotherhood of Teamsters, Local Union 436, hereinafter referred to as the Union; and the Medina County Engineer, hereinafter referred to as the Employer.

It is the intent and purpose of the parties hereto that this agreement will promote, improve and maintain harmonious relations between the Union and the Employer, and to set forth herein the complete agreement between the Employer and the Union as to rates of pay, hours of work, and conditions of employment to be observed between the parties hereto. Both parties agree to abide by this agreement and mutual understandings during its term, it being the purpose to settle all difficulties without disturbance of efficiency and harmony in the workplace.

**ARTICLE 2  
UNION RECOGNITION**

Section 1. The Employer recognizes the Union as the sole and exclusive bargaining agent with respect to wages, hours and other terms and conditions of employment for those employees included in the bargaining unit. Wherever used in this Agreement, the term: "bargaining unit" shall be defined as follows:

Included: Permit Techs, Construction and Storm Water Inspectors.

Excluded: Managers, Supervisors and all other as defined by the Act.

Section 2. Should the Engineer establish new classifications during the term of the Agreement, the Union and the Employer shall meet within ten (10) days of the establishment thereof to discuss whether such classifications are appropriately within the bargaining unit. Should the parties not agree within thirty (30) days of first meeting, either party may petition the State Employment Relations Board for a determination.

The parties shall meet to negotiate wage rates for new bargaining unit classifications based upon an appropriate differential from existing positions. Should the parties be unable to agree on rates, the Union may file a grievance at Step 3 of the Grievance Procedure.

**ARTICLE 3  
UNION REPRESENTATION**

Section 1. The Employer agrees to admit not more than two (2) Union Representatives to the Employer's facilities during the Employer's normal office business hours. Additional Representatives may be admitted with prior approval of the Employer.

The Representative(s) shall be admitted to the Employer's facilities and sites, for the purpose of processing grievances or attending meetings as permitted herein, providing advance notice is given to the Employer. Upon arrival, the Union Representative shall identify himself to the Employer or the Employer's designated representative.

Section 2. The Employer shall recognize in addition to the Local Union Steward, one (1) alternate steward for the purpose of processing grievances in accordance with the Grievance Procedure. Stewards, and all other bargaining unit representatives whose attendance has been pre-approved by the Employer, shall lose no earnings/wages or other compensation as a result of meetings with the Employer or his agents authorized in this Agreement.

Section 3. The Union shall provide to the Employer the name of the Union Steward and Alternate Steward. No employee shall be recognized by the Employer as a Union Steward and Alternate Steward until the Union has presented the Employer with written notification of that person's selection.

Section 4. The investigation of grievances, by Union Stewards, shall be on non-work time except for the writing of grievances involving suspensions, terminations, or firings, which can take place on work time, without loss of pay. One (1) Union Steward shall be granted reasonable time to write grievances in such circumstances. If grievance hearings or other meetings with Management are scheduled during an employee's regular duty hours, the employees in attendance shall not suffer any loss of pay while attending such meetings.

Section 5. The Union agrees that no official of the Union, employee or non-employee, shall interfere, interrupt or disrupt the normal work duties of other employees. The Union further agrees not to conduct Union business during working hours except to the extent authorized herein.

Section 6. The Union shall be granted permission to use designated facilities of the Employer during non-work time for the purpose of holding meetings upon written application to the Employer, and pending availability of such facilities, at no charge to the Union. The Union shall be responsible to leave the facilities in the condition it was found prior to use and shall remove any materials brought into the facilities at the end of meeting. The Union's failure to comply with the provisions of this Section may be cause for the Employer to revoke permission to use County facilities.

#### **ARTICLE 4 MANAGEMENT RIGHTS**

Section 1. Except as specifically limited herein, the Employer shall have the exclusive rights to administer the business of the office of the Medina County Engineer, in addition to all other functions and responsibilities which are required by law. Specifically, the Employer's exclusive management rights include, but are not limited to the following:

1. To manage and direct its employees, including the right to select, hire, promote, transfer, assign, evaluate, lay off and recall, or to reprimand, suspend, discharge, or discipline for just cause to maintain order among employees;

5. To determine the size and composition of the work force and organizational structure of the County Engineer function, including the right to relieve employees from duty due to lack of work or other legitimate reasons;
6. To determine when a job vacancy exists, the standards of quality and performance to be maintained;
7. To determine the necessity to schedule overtime and the amount required thereof;

10. To maintain and improve the efficiency and effectiveness of the Employer's operation;
11. To determine and implement necessary actions in emergency situations.

Section 2. The Union recognizes and accepts that all rights and responsibilities of the Employer not expressly restricted or modified herein and as permitted by law shall remain the function of the Employer.

## **ARTICLE 5 NON-DISCRIMINATION**

Section 1. Neither the Employer nor the Union shall discriminate against any bargaining unit employee on the basis of age, sex, race, color, creed, national origin, political affiliation, marital status, or disability or handicap which does not interfere with the ability to perform the functions of the job. The Union shall share equally with the Employer the responsibility for applying this provision of the Agreement.

Section 2. Where there is an alleged violation of the provisions of this Article that qualifies for appeal under the rules of the Equal Employment Opportunity Commission or

the Ohio Civil Rights Commission, such matter shall be appealable through the grievance procedure contained in this Agreement up to and including Step 4, but not arbitration. The Employer, the employees and their representatives, however, may meet in an effort to resolve the alleged violation prior to the appeal to any outside agency.

Section 3. All references to employees in this Agreement designate both sexes, and wherever the male gender is used it shall be construed to include male and female employees.

Section 4. Neither the Employer nor the Union shall discriminate against, interfere with, restrain, coerce, or take any reprisal action against any employee for participation or non-participation in or affiliation or non-affiliation with the Union or because of any lawful activity on behalf of the Union.

## **ARTICLE 6 LABOR-MANAGEMENT CONFERENCE**

Section 1. In the interest of effective communications, either party may at any time request a Labor-Management Conference. Such request shall be made in writing and be presented to the other party five (5) calendar days in advance of the requested meeting date. The written request shall include an agenda of items the party wishes to discuss and the names of those representatives who will be attending. A Labor-Management Conference shall be scheduled within ten (10) days of the date requested. Such conferences shall not be scheduled more frequently than once each three (3) months unless it is mutually agreed to meet more frequently.

Section 2. The purpose of such meeting shall be limited to:

1. Discuss the administration of this Agreement;
2. Notify the Union of changes made by the Employer which affect bargaining unit employees;
3. Discuss grievances which have not been processed beyond the final step of the Grievance Procedure when such discussions are mutually agreed to by the parties;
4. Disseminate general information of interest to the parties;
5. Give the Union representative the opportunity to share the views of their members and/or make suggestions on subjects of interest to their members;
6. Discuss ways to increase productivity and improve efficiency;
7. Consider and discuss health and safety matters relating to employees.

Section 3. There shall be no more than one (1) employee representative in attendance at the Labor-Management Conference and no more than one (1) non-employee representative. There shall be no more than three (3) management representatives at the Conference. Both parties can add representatives if mutually agreed upon. Requests for additional representatives shall not be unreasonably denied.

## **ARTICLE 7 NO STRIKE/NO LOCKOUT**

Section 1. It is understood and agreed that the services performed by the employees included in the Agreement are essential to the public health, safety and welfare. The Union, therefore, agrees that there shall be no interruption of work for any cause whatsoever, nor shall there be any work slowdown or other interference with these services, during the term of the Agreement or any extensions thereof.

Section 2. The Employer agrees that neither it, its officers, agents or representatives individually or collectively will authorize, instigate, cause, aid or condone any lockout of members of the bargaining unit, unless those members shall have violated Section 1 of this Article.

Section 3. The Union further agrees that neither it, its officers, agents, representatives, or members will authorize, instigate, cause, aid, condone, or participate in any strike, sympathy strike, work stoppage, slow down, or any other concerted activities which interrupt the operations or services of the Employer by its members during the term of this Agreement.

Section 4. In all cases of strike, sympathy strike, slow down, walkout or any unauthorized cessation of work in violation of this Agreement. The Union shall undertake every reasonable means to induce such employees to return to their jobs during any such period of unauthorized stoppage.

## **ARTICLE 8 DUES DEDUCTION AND FAIR SHARE FEE**

Section 1. The Employer and the Union agree that membership in the Union is available after thirty-one (31) days to all bargaining unit employees certified by the State Employment Relations Board who are covered by this Agreement and any other classification of employees legally added to the bargaining unit.

Section 2. During the term of this Agreement, the Employer shall deduct regular monthly Union dues from the wages of those employees who have voluntarily signed dues deductions authorization forms permitting said deductions. The dues deductions shall be made automatically from the first paycheck of each month. If the employee's

pay for that period is insufficient to cover the amount to be deducted, the Employer will make the deduction from the next paycheck, providing the employee's check is sufficient to cover the deduction.

Section 3. The Employer agrees to supply the Union with a list of those employees for whom dues deductions have been made.

Section 4. A check in the amount of the total dues withheld from those employees authorizing a dues deduction shall be tendered to the Treasurer of the Union within fifteen (15) days from the date of making said deductions.

Section 5. Any employee who is not a member of the Union and who does not make application for membership within thirty-one (31) days following the ratification of this Agreement shall, as a condition of employment, pay to the Union, through automatic payroll deduction, a fair share fee. Any future employee, after thirty-one (31) days, shall as a condition of employment pay to the Union, through automatic payroll deduction, a fair share fee.

Section 6. Fair share fees shall be deducted and remitted at the same time as dues. The deduction of the fair share fee is automatic and does not require authorization by the employee. The fair share fee is that amount equal to the Union dues.

Section 7. The Employer shall have the sole discretion to discharge newly hired probationary employees and any such action shall not be appealable through the grievance or arbitration procedure in this Agreement, any civil service procedure, State Personnel Board of Review appeal, or through any other legal means.

Section 8. The Employer agrees to deduct initiation fees, re-initiation fees and entry fees as regularly assessed by the Union in accordance with the Constitution and Bylaws of the Union.

## **ARTICLE 9 RULES AND REGULATIONS**

Section 1. The Employer, in order to carry out its statutory mandates and goals has the right to promulgate reasonable work rules, regulations, policies and procedures, consistent with the Employer's statutory authority to regulate the personal conduct of employees, and the conduct of the Employer's services and programs.

Section 2. Copies of written work rules and personnel policies or amendments thereof promulgated following the effective date of this Agreement, will be posted and furnished to the Union no less than five (5) working days prior to the effective date of such rules and amendments. During the five (5) day period, the Union may request a meeting to discuss the effect of the work rule, policy, or amendment.

Section 3. No work rules, regulations, policies or procedures shall be established or maintained that are in violation of any expressed terms of this Agreement. The Union may grieve the reasonableness and/or the reasonableness of application of any work rule,

regulation, policy or procedure. Grievances alleging violation of this article may be filed at Step 3.

## **ARTICLE 10 DISCIPLINARY PROCEDURE**

Section 1. No form of disciplinary action will be taken against any employee except for just cause.

Section 2. Except in instances where the employee is found guilty of gross misconduct, discipline shall be applied in a corrective, progressive and uniform manner.

Progressive discipline shall take into account the nature of the violation, the employee's record of discipline, and the employee's record of conduct.

Section 3. Whenever the Employer determines that an employee may be suspended, discharged, or reduced in pay for disciplinary reasons, the Employer shall submit a written notice as to the charges to the employee and to the Union. The employee shall be entitled to Union representation. If the employee waives such representation in writing, the employee shall not be allowed representation by any other individual and/or organization.

Copies of all disciplinary actions taken against bargaining unit employees shall be provided to the Union. A written notation shall be made of verbal warnings.

If a holiday observed by the Employer occurs during a period of suspension, the holiday will not be considered as one of the suspension days provided for in the "Notice" of suspension.

Bargaining unit employees shall not lose holiday pay by virtue of being absent the day before or the day after the holiday if the absence is due to being on a suspension.

Section 4. Records of disciplinary action shall have force and effect according to the following schedule based on severity of offenses, provided there have been no intervening disciplinary actions taken during the same time period:

Verbal and written warnings	Twelve (12) months
Suspension of three (3) days or less	Eighteen (18) months
Suspension of more than three (3) days	Twenty-four (24) months

An employee shall be given a copy of any notice of disciplinary action which becomes part of his record. No discipline which existed prior to August 1, 2002 shall be counted toward progressive discipline.

Section 5. The Employer agrees that all disciplinary procedures shall be carried out in private and in a businesslike manner.

Section 6. Grievances regarding suspensions or terminations may be filed at Step 3 of the grievance procedure.

## **ARTICLE 11 GRIEVANCE PROCEDURE**

Section 1. The grievance procedure is a formal mechanism intended to ensure that employee grievances arising from those misunderstandings that will inevitably develop in the day-to-day activities of public service are promptly heard, answered and appropriate action taken to correct a particular situation.

Section 2. The term "grievance" shall mean an allegation by a bargaining unit employee that there has been a breach, misinterpretation or improper application of this Agreement. It is not intended that the grievance procedure be used to affect changes in the Articles of this Agreement.

Section 3. A grievance under this procedure may be brought by any member of the bargaining unit. Where a group of the bargaining unit members desires to file a grievance involving a situation affecting each member, one (1) member selected by such group will process the grievance.

Section 4. All grievances must be processed at the proper step in the progression in order to be considered at the subsequent step. A grievance may be filed at the step where the decision by management being grieved has been made.

Any grievance that is not timely appealed to the next step of the procedure will be deemed to have been settled on the basis of Management's answer at the last completed step.

Any grievance not answered by Management within the stipulated time limits shall be considered to have been answered in the negative and may be appealed to the next step of the grievance procedure; however, Management shall not establish a practice of not answering grievances.

Section 5. The written grievance shall be submitted on the grievance form attached as Appendix A, and shall contain the following information:

1. Aggrieved employee's name;
2. Aggrieved employee's classification;
3. Name of employee's immediate supervisor;
4. Date and time of incident giving rise to grievance;
5. Date and time grievance was first discussed;
6. Date grievance was filed in writing at Step 1;
7. A statement as to the specific Articles and Sections of the Agreement violated;

8. A brief statement of the facts involved in the grievance;
9. The remedy requested to resolve the grievance.

Section 6. The time limitations provided for in this Article may be extended by mutual agreement between the Employer and the Union; working days, as used in this Article, shall not include Saturdays, Sundays or holidays.

Section 7. Each grievance shall be processed in the following manner:

#### INFORMAL STEP

An employee having a grievance will first bring that complaint verbally, within three (3) working days of the incident giving rise to the grievance or the employee's knowledge of the incident to the attention of the employee's supervisor. The supervisor shall discuss the grievance with the employee and within twenty-four (24) hours of their discussion respond to the employee with an answer. If the employee is not satisfied with the response given by the supervisor, the employee shall within three (3) working days reduce the grievance to writing on the agreed form and submit at Step 1.

#### STEP 1 –SUPERVISOR

The Supervisor, within three (3) working days of receipt of a written grievance, shall schedule a formal meeting between himself and the employee filing the grievance. Prior to this meeting, the Supervisor shall make a complete and thorough investigation of all allegations contained in the grievance. The Supervisor shall provide the employee with his written response to the grievance within three (3) working days of the meeting. If the employee is not satisfied with the written response from the Supervisor, the employee may, within three (3) working days, pursue the grievance to Step 2 of the procedure.

#### STEP 2 – DEPARTMENT HEAD

The Department Head within three (3) working days of receipt of a written grievance, shall schedule a formal meeting between himself and the employee filing the grievance. Prior to this meeting, the Department Head shall make a complete and thorough investigation of all the allegations contained in the grievance. Within three (3) working days after the meeting, the Department Head shall provide the employee with his written response to the grievance. If the employee is not satisfied with the written response received from the Department Head, the employee may, within three (3) working days, pursue the grievance to Step 3 of the procedure.

### STEP 3 –ENGINEER

The Engineer or his designated representative, within five (5) working days of receipt of a written grievance, shall schedule a formal meeting with the employee filing the grievance and the Union Business Representative. Prior to this meeting, the Engineer or his representative shall make a complete and thorough investigation of all the allegations contained in the grievance. Within five (5) days after the meeting, the Engineer or his representative shall provide the employee and the Union with his written response to the grievance.

### STEP 4 - ARBITRATION

If the grievance is not satisfactorily settled in Step 4, the Union may submit the grievance to Final and Binding Arbitration by submitting a request to the Federal Mediation and Conciliation Service (FMCS) for a list of seven (7) local arbitrators within thirty (30) days of the date of receipt of the answer at Step 4, with a copy of such request delivered to the Employer. In the event the grievance is not referred to arbitration within the time limits prescribed, the grievance shall be considered resolved based upon the Step 4 reply.

Upon receipt of the list of seven (7) arbitrators, the parties shall meet or confer by telephone to select an arbitrator within ten (10) working days from the date the list is received. Prior to striking, either party shall have the option to reject the list of names provided by the FMCS and request another list. Each party may make only one (1) rejection. The parties shall use the alternate strike method from the list of seven (7) arbitrators submitted to the parties by the FMCS. The party requesting the arbitration shall be the first to strike a name from the list, then the other party shall strike a name and alternate in this manner until one name remains on the list. The remaining name shall be designated as the arbitrator to hear the dispute in question. The fees, if any, for obtaining lists shall be shared by the parties. All procedures relative to the hearing shall be in accordance with the rules and regulations of the FMCS.

The Arbitrator shall hold the arbitration promptly and issue his decision within a reasonable time thereafter. The Arbitrator shall limit his decision strictly to the interpretation, application, or enforcement of those specific Articles and/or Sections of this Agreement in question. The Arbitrator's decision shall be consistent with applicable law.

The Arbitrator shall not have the authority to add to, subtract from, modify, change, or alter any provision of this Agreement; nor add to, subtract from or modify the language therein in arriving at his determination on any issue presented that is proper within the limitations expressed herein. The arbitrator shall expressly confine himself to the precise issues submitted for arbitration and shall have no authority to determine any other issues not submitted to him or to submit observations or declarations of opinion which are not directly essential in reaching a decision on the issues in question.

The Arbitrator shall be without authority to recommend any right or relief on an alleged grievance occurring at any time other than the contract period in which such right originated or to make any award based on rights arising under any previous Agreement, grievance or practices. The Arbitrator shall not establish any new or different wage rates not negotiated as part of this Agreement except as specifically authorized herein. In the event of a monetary award, the Arbitrator shall limit any retroactive settlement to the date the grievance was presented to the Employer in Step 1 of the grievance procedure.

The decision of the Arbitrator shall be final and binding upon the Union, the employee and the Employer. The costs of the Arbitrator shall be paid by the losing party. Should the Arbitrator not uphold the position of either party in total, then the Arbitrator shall determine in what proportion the parties shall share the fee.

Section 8. Expenses of any non-employee witnesses shall be borne by the party calling the witness. The fees of court reporters shall be paid by the party asking for one; such fees shall be split equally if both parties desire a court reporter's recording, or request a copy of any transcript.

Section 9. Any employee may have one Union Steward and/or Union Representative accompany him in at Steps 1 through 4 of the procedure. The employee may have two (2) Union stewards accompany him in Step 5, in addition to any non-employee Union representative. Employee representatives and grievants will lose no straight-time pay as a result of meetings with the Employer or Arbitrator at any step of the grievance procedure.

Section 10. Where an employee does not elect to be represented by the Union at any step of the grievance procedure excluding Step 5, the Union shall have the right to be present at any grievance meeting without intervening. All grievances presented under such circumstances shall be resolved consistent with the terms and provisions of this Agreement. Only the Union may proceed to Step 5 of the procedure.

## **ARTICLE 12 SENIORITY**

Section 1. Seniority shall be computed on the basis of continuous service with the Employer. Once service is broken, the employee loses all previously accumulated seniority.

Section 2. An approved leave of absence does not constitute a break in continuous service provided the employee follows the proper procedure for such leave and returns to active service immediately following the expiration of the approved leave or complies with alternate procedures of this Agreement.

Section 3. Any bargaining unit employee who hereafter is promoted or transferred to a job outside of the bargaining unit shall retain such seniority as is provided in this Agreement, but he/she shall not accumulate additional seniority after the date of said promotion or transfer.

If the Employer should return an employee to a job within the bargaining unit, his/her name shall be restored to the seniority list with seniority to be determined according to this Article. Any employee hired directly into a job outside the bargaining unit and/or an incumbent employee who is in a position outside the bargaining unit as of the effective date of this Agreement, shall not be entitled to seniority preference or provisions of seniority under any section of this Article, but shall, if moved into a bargaining unit position, be placed at the bottom of any seniority list for his/her bargaining unit classification.

Section 4. The Employer shall post a seniority list within thirty (30) days after the signing of this Agreement and once every twelve (12) months thereafter on the bulletin board showing date of service, classification, and rate of pay. One (1) copy of the seniority list shall be forwarded to the Local Union Steward or his designee. Once the seniority list has been posted, employees shall have thirty (30) days, excluding vacation time and sick leave, in which to challenge the information contained therein. Such challenges shall be made to the Employer in writing. Corrections shall be made when it is proven that any employee is placed in the wrong position on said list. Any information which is not altered as a result of an employee challenge shall be considered final.

### **ARTICLE 13 PROBATIONARY PERIOD - NEW EMPLOYEES**

Section 1. The probationary period for all new hires shall be one hundred twenty (120) days. New hires shall have no seniority during their probationary period of employment. However, upon completion of the probationary period, seniority shall be computed from the date of hire. Newly hired probationary employees who are terminated shall not have recourse through the grievance procedure.

Section 2. Employees promoted into a bargaining unit position, or an employee in the bargaining unit promoted to a higher classification shall serve a ninety (90) day probationary period. If an employee does not qualify, he/she is to be returned to his/her previous classification/position if it continues to exist, and to any position for which he/she qualifies should the position not exist. Any bargaining unit employee displaced by the return shall be treated as if he/she was placed on layoff.

Section 3. New hire probationary terminations or reductions are not subject to the grievance procedure.

### **ARTICLE 14 VACANCIES AND PROMOTIONS**

Section 1. Whenever the Employer determines that a permanent vacancy exists in a classification in the bargaining unit, a notice of such vacancy shall be posted on the employees' bulletin board and elsewhere for five (5) days. During the posting period, anyone wishing to apply for the vacant position shall do so by submitting a written application to the Employer. The Employer shall not be obligated to consider any

applications submitted after the posting period. The "posting" shall contain the following information:

1. Classification;
2. A brief description of job duties;
3. Effective date and expiration date of the posting;
4. Qualifications for the position.

For employees who may be on vacation, sick leave or other authorized leave of absence, and during such absences a vacancy is posted, the Employer shall consider and accept such bids, provided such employee submits a bid or application for a vacancy that may exist, or for any job the employee wishes to bid on for future consideration by the Employer before leaving on such authorized absences.

Section 2. Nothing in this Article shall be construed to limit or prevent the Employer from temporarily filling a vacant position pending the Employer's determination to fill the vacancy on a permanent basis. Jobs will not be worked by transfer of more than thirty (30) consecutive days without having employees assigned those jobs by bid. The job award will be made as soon as the successful bidder is determined.

Section 3. First consideration shall be given to employees in the Bargaining Unit. The Employer will give careful consideration to applications received in relation to qualifications, skill, ability and the bidders active employment records. Where the employer judges two or more employees to be equally qualified, the most senior employee shall be awarded the position. Where no bids are received from Bargaining Unit employees, or where no Bargaining Unit bidder is determined to be qualified, the Employer may fill the position by any means.

Section 4. An employee who is selected shall serve a ninety (90) day probationary period. In the event an employee is disqualified during the probationary period, the remaining applicants for the original job posting shall be considered under the same criteria until the list of bidding applicants is exhausted.

Section 5. Once the selection has been made, the Employer will notify all applicants and the Union of the selection.

## **ARTICLE 15 LAYOFF AND RECALL**

Section 1. In any case of an anticipated layoff of bargaining unit employees by the Employer, the Employer shall notify the Union of the impending layoff as far in advance as possible prior to service of notice of employees. The Employer and the Union shall meet to discuss possible alternatives and the impact of the layoff on bargaining unit employees and to furnish the Union supporting documentation and adequate information and verification supporting any layoffs.

Section 2. The Employer may lay off employees for reasons of lack of work, lack of funds, or reorganization. Affected employees shall receive written notice of layoff and reasons thereto at least fourteen (14) calendar days prior to the effective date of layoff. The notice shall advise the employee of bumping rights. The Union Representative shall be forwarded a copy of all layoff notices served on any employee the day of mailing or personal service.

Section 3. Layoffs shall occur in the following order:

1. Seasonal, temporary employees;
2. Casual employees;
3. Student employees;
4. Part-time employees;
5. Probationary employees;
6. Permanent employees in the inverse order of their seniority as defined by this Agreement.

Section 4. When employees are laid off, the Employer shall create and maintain a recall list for the classification. The Employer shall recall employees from layoff within the classification as needed. The Employer shall recall such employees according to seniority, beginning with the most senior employee, as determined by the Employer, and employees shall be on recall for a period of the lesser of twenty-four (24) months, or their seniority at the time of layoff. The Union Representative shall be forwarded a copy of all recall lists and a copy of all changes and amendments thereto at the time of posting and as changes, amendments are made.

In the event an employee refuses recall to the bargaining unit classification, such employee shall be removed from the recall list.

Section 5. Notice of recall shall be sent to the employee by certified mail with a copy to the Union. The Employer shall be deemed to have fulfilled its obligations by mailing the recall notice by registered mail, return receipt requested, to the last mailing address provided by the employee.

Section 6. The recalled employee shall have up to five (5) calendar days following mailing of the recall notice to return to work, unless a different date for return to work is otherwise specified in the notice beyond the five (5) calendar days. In the event of extenuating circumstances such as illness, injury or other good cause preventing the employee from returning or giving notice within the time limit above, the Employer may grant a reasonable extension not to exceed thirty (30) days. In the event such illness or injury precludes an employee from returning to work within the time limit above, including extension, such employee shall be by-passed for recall, but shall remain on the recall list.

Section 7. The Employer shall not hire into the classification from which an employee is on layoff unless the employee on layoff is first given the opportunity to return to such position.

## **ARTICLE 16 HOURS OF WORK/OVERTIME**

Section 1. This Article is intended to define the normal hours of work per day or per week in effect at the time of execution of this Agreement. Nothing contained herein shall be construed as preventing the Employer from restructuring the normal work day or work week for the purpose of promoting efficiency or improving services; from establishing the work schedules of employees; or establishing part-time positions. This Article is intended to be used as the basis for computing overtime and shall not be construed as a guarantee of work per day or per week.

Section 2. The regular workdays are Monday through Friday, seven and one-half (7 ½) hours per day with an unpaid lunch period. The employer may require an employee to work a flexible schedule to provide required services at times when the Engineer's offices are closed or additional coverage is needed. The standard work week for full-time employees covered by the terms of this Agreement shall be thirty-seven and one-half (37 ½) hours, with seven (7) consecutive days for computation of pay and overtime purposes. The work week shall be computed between 12:01 a.m. on Sunday of each calendar week and at 12 o'clock midnight the following Saturday.

Section 3. When an employee is required and approved by the Employer to work more than thirty-seven and one-half (37 ½) hours in a work week as defined in Section 2, above, he shall be paid overtime pay for all time worked in excess of thirty-seven and one-half (37 ½) hours in a week. Overtime shall be paid at the rate of one and one-half (1 ½) times the employee's regular hourly rate of pay. Vacation time, holiday time, and sick leave shall be considered time worked for purposes of overtime computation.

Section 5. Overtime pay and docking for tardiness shall be calculated to the next one-quarter (¼) hour.

## **ARTICLE 17 PAY PERIOD/PAY DAYS**

Section 1. The pay period shall begin as 12:01 a.m. on Sunday and end at 12:00 midnight Saturday, two (2) weeks following.

Pay days for bargaining unit employees shall be every other Friday. When a holiday observed under this Agreement falls on a Friday, pay checks shall be issued on the preceding Thursday, or other day established by the County Auditor.

**ARTICLE 18  
POSITION DESCRIPTION**

Section 1. The Employer shall maintain accurate position descriptions of each classification in the bargaining unit. Employees and the Union shall have access to such description at reasonable times mutually agreed to by the Employer and Union for the purpose of review. If a copy is requested, one (1) copy shall be provided at no charge.

Section 2. All affected employees and the Union shall receive a copy of any position description which alters the duties of employees in the bargaining unit, or establishes new positions within the bargaining unit not recognized under Article 2 herein.

**ARTICLE 19  
BULLETIN BOARDS**

Section 1. The Employer agrees to provide space for a bulletin board in an agreed upon area of the Engineer's facility for use by the Union.

Section 2. All Union notices which appear on the bulletin boards shall be signed, posted, and removed by the local Union Steward or his designee. It is understood that no material may be posted on the Union bulletin board at any time which contains political messages, attacks upon elected or appointed officials, or political endorsements.

Section 3. No Union related materials of any kind may be posted anywhere in the Employer's facilities or on the Employer's equipment except on the bulletin board areas designated for use by the Union.

**ARTICLE 20  
PERSONNEL FILES**

Section 1. It is recognized by the parties that the Engineer must prescribe regulations for the custody, use and preservation of the records, papers, books, documents, and property pertaining to the County. To the extent that any records, papers or other documents covering bargaining unit employees are legitimately considered available to review by such employees, every employee shall be allowed to review his or her personnel file at any reasonable time upon request. If any bargaining unit employee is involved in a grievance regarding a matter in which materials in his personnel file may be relevant, the affected employee's Union representative will be granted access to the employee's personnel file at reasonable times where such access is authorized, in advance, by the bargaining unit employee.

Section 2. A bargaining unit employee will be provided a copy of any disciplinary material placed in his personnel file after the effective date of this Agreement.

Section 3. If an employee, upon examining his personnel folder, has reason to believe that there are inaccuracies in those documents to which he has access, the

employee may submit a written statement, not to exceed one side of one 8 ½" x 11" page, to the Engineer explaining the alleged inaccuracy. If, upon investigation, the Engineer sustains such allegations, he shall do one of the following:

- a. The employee's written statement may be attached to the material in question, and filed with it and the Engineer shall note thereon his concurrence; or
- b. The Engineer may remove the inaccurate material from the personnel folder if he feels that its inaccuracies warrant such removal; or
- c. The Engineer may remove and destroy the material in the presence of the employee and the Union, if such removal & destruction does not violate the public records law.

## **ARTICLE 21 SUBCONTRACTING**

Section 1. The Employer shall not contract our work normally performed by the bargaining unit for the purpose of reducing the workforce or reducing overtime without first negotiation with the Union over the effects of such contracting. In such event, the Employer agrees to notify the Union prior to entering into such subcontract. The Union accepts that there are statutory limitations upon the Employer's ability to perform work in-house as opposed to submitting such work to the bid process.

## **ARTICLE 22 SICK LEAVE**

Section 1. Sick leave may be requested for the following reasons:

1. Illness or injury of the employee;
2. Illness or injury of the employee's immediate family where attention by the employee is reasonably necessary;

4. Death of a member of the employee's family, (parent-in-law, brother, sister, brother-in-law, sister-in-law, daughter-in-law, son-in-law, grandparent, grandchild), the leave not to exceed three (3) work days per year except as authorized by the Engineer based upon circumstances. Funeral days must be consecutive workdays and include the day of the funeral. Two (2) additional days of sick leave with pay, may be granted if the employee must travel over two hundred fifty (250) miles to attend the funeral. Where the day of the funeral is on a day the employee is

otherwise not scheduled to work, the consecutive workdays will be scheduled with the approval of the Employer;

5. Medical, dental, or optical examinations or treatment of employee, or a member of his/her immediate family where the attendance of the employee is necessary;
6. Disability due to pregnancy, childbirth, and/or related medical conditions;

Section 2. For each completed eighty (80) hours in active pay status, an employee earns 4.6 hours of sick leave to a maximum of fifteen (15) days per calendar year. The amount of sick leave time any one employee may accrue is unlimited. Sick leave will be charged in minimum units of one-half (½) hour. Sick leave is earned only when an employee is in active pay status, (i.e. for only those days for which the employee is actually paid).

Section 3. Whenever medical attention is required, the employee shall be required to furnish a statement from a licensed physician or psychologist notifying the Engineer that the employee was unable to perform his/her duties. In addition, such physician statement shall be required for absences of more than three (3) consecutive workdays due to illness. Upon return to work, the employee must furnish a statement from the health care provider certifying his/her ability to perform the job duties.

Section 4. The Engineer has the authority to investigate the reasons for an employee's absence. An employee who fraudulently obtains sick leave or falsifies sick leave records is subject to disciplinary action. If the Engineer determines that there has been a pattern of abuse of the use of sick leave, he/she may require proof of illness in the form of a physician's statement of disability or other proof satisfactory to the Engineer to approve the use of such leave.

Section 5. Sick leave must be requested on the approved sick leave form as soon as the employee returns to work.

## **ARTICLE 23 LEAVES OF ABSENCE**

Section 1. A leave of absence without pay may be granted by the Engineer for up to six (6) months. The request for a leave of absence must be submitted in writing. An unpaid leave of absence is discretionary, and may be granted or denied by the Engineer.

Section 2. Acceptable reasons for an unpaid leave of absence include:

- a. Family reasons that do not fall within the circumstances outlined in the family and medical leave policy;
- b. Family or medical reasons that fall within the family and medical leave policy after the employee's twelve (12) week entitlement has been exhausted; or

- c. Public service and education leaves (may be granted for a period up to two (2) years).

Section 3. In the case of a medical leave, all related, prior-approved unpaid leaves or unpaid portions of leaves will be included in the calculation of the six (6) month leave. The original date of the medical leave will be established as the first day of unpaid leave.

Section 4. An employee may request an early return to work, subject to the approval of the Engineer. An employee on a medical leave will be required to provide a physician's release before the employee will be permitted to return to work.

Section 5. Upon return from a leave of absence, an employee will be returned to the same position in the classification held at the time of separation; or if the classification no longer exists, to another similar classification. If no similar classification exists, the employee may be laid off.

Section 6. An employee on a leave of absence does not accrue sick leave or vacation leave, but continues to earn service credit. Employees are ineligible for unemployment compensation during any leave period.

Section 7. County-paid health care benefits cease at the end of the month in which an unpaid leave of absence begins. Continuation of coverage is available at the employee's expense. Engineer contributions to health care benefits resume the first of the month following the employee's effective return to work (see Section 10.03 (B)-Health Care Benefits Continuation-COBRA of the Engineering and Tax Map Department's Personnel Policy Manual).

Section 8. If it is discovered a leave of absence granted for a specific purpose is not being used for that purpose, the Engineer may cancel the leave and direct the employee to report for work.

Section 9. For all types of leaves of absence, if an employee fails to return to duty within three (3) workdays of expiration or cancellation of an approved leave of absence, without satisfactory explanation to the Engineer, he/she will be terminated. The employee's termination date will be established as the starting date of the approved leave of absence.

## **ARTICLE 24 JURY DUTY/COURT LEAVE**

Section 1. If an employee of the Engineer is called for court jury duty or subpoenaed to testify in a court of law, through no action of his/her own, during any portion of the employee's regular scheduled workday, that employee may choose to be compensated for such time in one of the manners set forth below:

1. The employee may choose to receive his/her regular salary or wage in full. In such case, all monies received, as compensation for court

service shall be remitted by the employee to the Engineer in full, unless such duty is performed outside normal working hours;

2. The employee may choose to retain all monies received as compensation for court service and waive his/her regular wages in full;
3. Expenses incurred by the employee and reimbursed by the court for court duty shall be retained in full by the employee.

In order to receive compensation, the employee must provide to the Engineer:

1. Notice of his/her summons or a copy of the subpoena forty-eight (48) hours prior to the date of such service, where applicable;
2. A clerk of courts certificate or other document of the court stating the time served.

Section 2. An employee shall not be entitled to paid court leave when appearing in court for criminal or civil cases when the case is being heard in connection with the employee's personal matters. These absences would be charged as leave without pay, vacation or compensatory time as requested by the employee and as scheduled in advance with the Engineer.

Section 3. An employee released from doing court duty three and one-half (3½) hours prior to the end of his/her scheduled workday shall report to work for the remaining scheduled time unless otherwise authorized by the Engineer.

Section 2. An employee requesting such leave will be required to submit a copy of the Active Duty for Training Order with the Request for Leave form and complete the necessary leave papers.

Section 3. For additional information on military leave time, see Section 5.07(C) of the Engineering and Tax Mapping Department's Personnel Policy Manual.

Section 4. Employees who are members of the Ohio National Guard shall be granted emergency leave without pay for mob, riot, flood, civil defense, or other such duties when so ordered by the Governor to assist civil authorities, when such duty exceeds military leave authorized for the year. Such leave shall cover the official period of the emergency.

**ARTICLE 26  
FUNERAL/BEREAVEMENT LEAVE**

All full-time employees are entitled to funeral/bereavement leave to a maximum of three (3) days, not charged to the employee's sick leave balance, in the event of the death of a member of the employee's immediate family. "Immediate family," for the purpose of this article, is defined as a parent or person acting as guardian, child or spouse.

The leave is not to exceed three (3) workdays per year except as authorized by the Engineer based upon circumstances. Funeral days must be consecutive workdays and include the day of the funeral. Two (2) additional days of funeral/bereavement pay, charged to sick leave, may be granted if the employee must travel over two hundred fifty (250) miles to attend the funeral.

and  
Teamsters Local 436

Letter of Agreement  
Duration and Retroactivity

The parties have agreed to amend the duration of the contract so that each contract year runs from March 1 to the last day of February each year. All employees subject to this contract will receive wage increases effective March 1 of each year, provided the parties have agreed to such increases during negotiations. To offset the time gap between January 1, 2008 and March 1, 2008, the parties agree to grant retroactivity on the 2008 wages back to January 1 of 2008. The Engineer shall pay the total amount of the retroactive pay increase for the period including January 1, 2008 to March 1, 2008 in a lump sum included in the paychecks distributed on \_\_\_\_\_.

This is a one-time adjustment in 2008 and shall have no further affect on subsequent March 1 pay increases.

Agreed this \_\_\_\_\_ day of June, 2008.
